**SILKE COMMUNICATIONS WELCOMES WIRELESS INDUSTRY VETERAN
ANDREW KITTEL**

Eugene -- Silke Communications, a western Oregon provider of wireless radio solutions and communication tower services and spectrum, welcomes Andrew Kittel as Business Development Director. Kittel comes to Silke with more than 20 years in the wireless industry, serving in roles from sales to general manager. His expertise encompasses cellular technologies, land mobile, microwave, and wi-fi broadband.

Kittel will oversee Silke's sales and customer service efforts, as well as further develop its outreach to customers seeking spectrum and related services. He can be reached at 541-687-1611 or andy@silkecom.com.

Silke Communications is a family-owned company, with a record of service and innovation that reaches back to 1964. In 1969, Jim Silke, Sr. made his first purchase of a hilltop and constructed a communications tower. In the decades since, the company has expanded to offer a full menu of communications services, from tower leases to radio communications sales and installation.

Customers range from large public fleets to small private businesses throughout western Oregon, including Portland, Salem, Newport, Eugene, Florence, Bend, Cottage Grove, Roseburg, Coos Bay, Brookings, Grants Pass, Medford, and Klamath Falls.
